Kindermusik Our Time Parent/Child

Away We Go! With toddlers' desire to go comes an attraction to other things that go - people, animals, cars, planes, horses, trains and more. 'What are things that go?' 'How do they go?' 'How do they sound when they go?' 'Can I go like that?' 'Can I make sounds like that?' Guided by these simple questions we'll journey into the world of transportation, explored through music and movement. A materials fee of \$80 will be collected at the first class.

Drop-In Programs

Indoor Play

Do you need to get out of the house and mingle with adults as much as your child needs to run and play? Then you need Indoor Play! Children develop hand-eye coordination as they learn social skills and make new friends all while they enjoy riding and climbing toys, gym mats, and other play equipment. Parents stay and supervise. Join us Tuesdays, Wednesdays, and Thursdays from 10am to 12pm. This is a drop-in program, no registration required. Punch cards available. Children under 1 year are free.

Play & Learn

This FREE program is offered by the Chinese Information Services Center (CISC). The Play & Learn Group provides a safe and stimulating environment for young children and their caregivers to play, socialize, and be introduced to basic preschool skills. Through meaningful activities modeled by the group facilitator, caregivers will come to understand how children learn through play, and also strengthen the caregiver-child relation. No need to register; drop by to Play & Learn.

Moo Doo Farm Compost

Calling all gardeners! Moo Doo is a great addition to your garden. Please help recycle our four legged friend's by-products and support Farrel-McWhirter Farm by purchasing Moo Doo vouchers. A by-product of 10+ equines and a variety of other farm animals (cows, goats, sheep, pigs, chickens, rabbits etc.) with a hem/fir shaving base, Moo Doo can be added directly to your garden or mixed with existing soil to create a superior topsoil or soil amendment. Farrel-McWhirter Farm has a state of the art aerated composting system that was constructed in 2006 to create a reusable resource. The system cooks the manure/bedding at 150+ degrees and is rich in nutrients, kills weed seeds, pathogens and bacteria and creates an incredible recycled garden and bedding material.

Pets - Dog Obedience

Sandy Dain's interest in animal training and behavior modification sprang from her involvement with humane societies. After several years of dedicated volunteer work for various organizations she decided to switch careers. Prior to coming to the City of Redmond, Sandy created an education and foster care program for a humane society in Oregon before launching her own business. In addition to her work as an instructor, Sandy assists the Humane Society of Seattle/King County with the behavior assessments of incoming dogs and trains new volunteers to work with the dogs that are available for adoption.

Basic Manners for Dogs

Does your adult dog behave perfectly in the kitchen, but forget his manners once he walks out the front door? Set you and your best friend up for success and have fun in the process; enroll in Basic Manners! Learn to teach your dog to give you attention, greet people politely, sit, lie down, stay, come when called, and walk nicely on a leash. Information will also be available to help deal with various problem behaviors. Designed for dogs over 7 months old and current on vaccinations. First class is for people only and attendance is mandatory. Children 8-15 years must be accompanied by an adult (fee is per dog).
